OUR MISSION

Americans felt it was important to build memorials in Washington DC to honor the service and sacrifice of their Veterans. **It is our mission to escort every Veteran to see those memorials.** It is our privilege to offer this once in a lifetime opportunity at no charge to the Veterans. The entire organization is staffed by volunteers, however ancillary costs still run about \$95,000 per flight. **Your donations make these trips possible!!**

OUR PRIORITY

The current focus is on Veterans from WWII, Korea, and Vietnam. Flight assignments are based on the order in which the applications are received with first priority to WWII or terminally ill Veterans. Trained guardians are assigned to escort each Veteran and medical personnel are also on each flight to ensure a safe and enjoyable trip.
